No Ash Will Burn (Walt Aldridge)

Version Della Mae

1 I have seen **4** snow that **5** fell in **1** may
And **1** I have seen **4** **rain** on **5** cloudless **1** days
1 Some things are **4** always **5** bound to **6m** change
No There **4** ain't no **5** ash will **5** burn

[Chorus]
1 Love is a **4** precious **5** thing I'm **1** told
1 Burns just like **4** West Virginia **1** coal
1 But when the **4** fire dies **5** down it's **6m** cold
Oh There **4** ain't no **5** ash will **1** burn

You say this life is not your lot
And I can't be some one day I'm not
We can't stoke a fire that we ain't got
There ain't no ash will burn

[Chorus]

In every life there comes a time
when there are no more tears to cry
We all leave some things behind
There ain't no ash will burn

[Chorus]

1	**4**	**5**	**1**
1	**4**	**5**	**1**
1	**4**	**5**	**6m**
6m	**4**	**5**	**1**
